SUMMER 2019

OPERATION: SAVE, SPEND, GIVE

(AKA, MANAGE YOUR MONEY)

Cash and Violet have a super secret money tip—just for you. The next time you get money, try dividing it into three different jars. It will help you make smart choices with your cash! Here's how it works:

JAR 1: SAVE

The jar is used to save your money for the future. (Don't forget, you can also save your money in your credit union account.)

JAR 2: SPEND

This is money you can spend anytime. Just remember to ask mom or dad.

JAR 3: GIVE

This is money you will use to help others. It can be for charity, a church donation, or some other way to make a difference.

ASK YOUR PARENTS
TO HELP YOU DECIDE
HOW MUCH YOU SHOULD
PUT IN YOUR JARS.

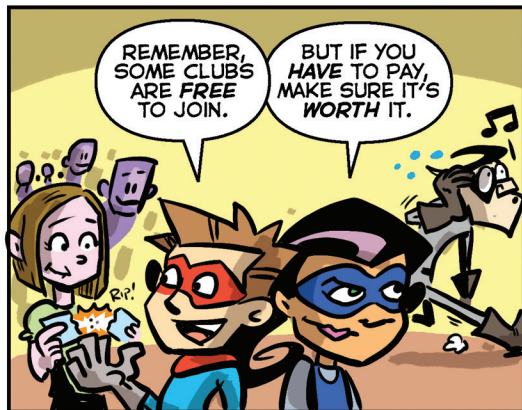

**YOU CAN ALSO USE PIGGY BANKS, SHOE BOXES,
OR ANYTHING ELSE THAT WILL HOLD YOUR MONEY!**
