SUMMER 2021

OPERATION: M3 CADET TRAINING EXERCISE!

(AKA, EVERY CENT GETS COUNTED)

DO YOU KNOW WHAT "CHANGE" IS? **CHANGE IS THE CASH YOU GET BACK WHEN YOU PAY MORE THAN THE COST OF AN ITEM.** TO FIGURE OUT HOW MUCH CHANGE YOU GET BACK, YOU SIMPLY HAVE TO DO A LITTLE SUBTRACTION. DON'T WORRY, IT'S PRETTY EASY.

HERE'S AN EXAMPLE: THE TOY YOU WANT COSTS \$5.45, SO YOU GIVE THE CASHIER \$6.00. YOU SHOULD GET \$.55 BACK IN CHANGE.

$$\$6.00 - \$5.45 = \$.55$$

WHENEVER YOU BUY SOMETHING, ALWAYS BE SURE YOU RECEIVE THE CORRECT CHANGE. AFTER ALL, WHEN IT COMES TO YOUR MONEY, EVERY PENNY COUNTS!
